邀请函

To: Zhou Zhu
Vice Dean,
School of Ecology and Environment,
Yuzhang Normal University,
Nanchang 330103, P. R. China

Dear Zhou Zhu,

JSC "Kazakh-British Technical University", together with the Organizing Committee of the **2nd International Conference on Enhanced Oil Recovery Technologies**, has the honor to **invite you** to take part in the event as an honored guest, which will be held on **April 15–17, 2026**, in Almaty, Kazakhstan.

In the context of the growing global demand for energy resources and the pursuit of sustainable development, the energy sector faces new challenges and opportunities, and **Enhanced Oil Recovery (EOR)** technologies are becoming one of the key areas of the oil and gas industry. The goal of the conference is to promote academic exchange and technological cooperation, as well as to unite **leading researchers, engineers, and industry specialists** from around the world to discuss the latest achievements and practical solutions in the field of EOR.

Conference participants will have the opportunity to:

- Present their scientific research;
- Discuss advanced technologies and implementation practices;
- Establish professional contacts and explore prospects for further cooperation.

The main theme of conference: **"Traditional Energy EOR Shines, New Energy Technology Flourishes"**. This represents not only a profound reflection on the current state of the energy industry but also a clear guide to its future direction. Here, we will delve into the importance and innovative methods of Enhanced Oil Recovery (EOR) in the field of traditional energy. Simultaneously, we will look forward to the prospects of new energy technology, exploring how advanced technologies can drive the sustainable development of the energy sector. We hope that today's discussions and exchanges will bring new insights to the industry and help us find cleaner and more efficient energy solutions for our planet and future.

We look forward to your valuable participation and the opportunity to cooperate for the purpose of sustainable development of the energy industry.

Detailed information about the conference program is available on the website kbtu.edu.kz, or you may contact us using the details below:

豫章师范学院
中国南昌 330103

尊敬的朱洲：

“哈萨克斯坦-英国技术大学”与第二届国际提高采收率技术会议的 组织委员会荣幸地 邀请您 作为贵宾参加将于 **2026年4月15日至17日** 在哈萨克斯坦阿拉木图举行的会议。

在全球能源需求不断增长和可持续发展追求的背景下，能源行业面临着新的挑战和机遇，**增强采油（EOR）技术** 正成为油气行业的重要领域。本次会议旨在促进学术交流与技术合作，汇聚全球来自学术界、工程界和工业界的顶尖研究人员、工程师及行业专家，共同探讨 **EOR 领域的最新成果与实用解决方案**。

与会者将有机会：

- 展示他们的科学研究成果；
- 讨论先进技术与实施实践；
- 建立专业联系并探索进一步合作的前景。

本次会议主题：“**传统能源 EOR 闪耀，新能源技术蓬勃发展**”。这一主题不仅深刻反思了当前能源行业的现状，更为其未来发展指明了方向。我们将深入探讨提高石油采收率（EOR）技术在传统能源领域的重要意义与创新方法，同时展望新能源技术的发展前景，探索先进技术如何推动能源行业的可持续发展。我们期待今天的讨论与交流能为行业带来新启示，助力我们为地球和未来寻找更清洁、更高效的能源解决方案。

我们期待您的宝贵参与，并期待与您携手合作，共同推动能源行业的可持续发展。

会议安排的详细信息可在网站 kbtu.edu.kz 上找到，或者您也可以使用以下联系方式与我们联系：
